## **Beakfast Time With the Pencil Case People**

As she brings him out, Pencil Case stretches.

He yawns wide, letting the light shine on his friends.

Penny Pencil looks out first.

"I think today is a Red Day," she says, putting on a deep red top.

"Wake up, lazy bones," she calls out to the others inside Pencil Case.

"Not me," groans Roly Rubber. "I'm worn out."

“I love my Pencil Case friends,”  
Gemma thinks to herself.

Penny Pencil draws a cloth for  
the table. Red, of course.

His Nibs draws a bowl and a plate  
for each of them.

Billy Ballpoint leaves the milk he  
is pouring into the bowl, to make  
spoons and knives.

Then Penny Pencil makes a  
pop-up toaster.

Immediately, Billy Ballpoint  
leaves the spoons unfinished to make  
bread to put in the toaster.
